All scholarship awards funded through Round Rock ISD affiliated organizations must be administered through the business office for the local high school. In our case, the funding must be administered through the business office at Stony Point High School.

Accordingly, the Stony Point Football Booster Club will transfer the scholarship award proceeds for your son's award to the business office at Stony Point High School. We will provide the business office your son's name, address and amount of the scholarship award. Under the guidelines, you will then provide proof of enrollment to the business office. The business office will then send the scholarship award to the college or university of your son's choice. The business office is located in room A 137 at the high school and the phone number is 428-7034. Please provide the business office your proof of enrollment and she will make arrangements for the funding of your scholarship award.

In the case of unusual circumstances which preclude the player's family from meeting the volunteer requirement, Coach Chessher will have the authority to waive this requirement. Such a waiver will be considered on a case by case basis.

The Scholarship Award:

The Stony Point Football Booster Club will notify you after the April 15, 2009 application deadline of the Scholarship Award in order to be recognized at the **"2008/2009 Senior Award Ceremony"** (school-wide) in May, 2009.
