Ordering more stools. During spring break they will be putting in flooring in all locker rooms.

New weight room will be in June or July. How much office space are we going to have. Lowerwald said we do not need to take funds out for office space. Suggest that we take the \$20000 that we approved for the fields and put in the office space. Keep old weight room. Comd up with a plan where the dancers could have half of the gym. We need to keep old weight room. We need the square footage and the office space. If office space is added on to 4000 or str ok. Booster club is in agreement that the money for resodding the field should be used for the weight room.
